

POSITION: 3D Motion Graphics Designer Generalist

LOCATION: 100% Remote

CONTRACT: Full-time position

CONTACT: [talent\[@\]rachelelewis.com](mailto:talent[@]rachelelewis.com)

RLT is a recognized global leader in VFX and animation talent acquisition. We have over 25 years of experience originating from our work inside top-tier Hollywood studios. Our clients hire our firm to assist in their senior talent acquisition needs (we are not your ordinary recruiters, nor are we “headhunters”).

We are seeking a talented **3D Motion Graphics Designer Generalist w/ VFX Compositing skills** for an award winning creative agency based in LA, who creates highly entertaining, story-driven game marketing videos for AAA mobile franchises.

JOB SUMMARY

Join our client’s animation team looking to create high-end, entertaining advertisements, and positive change. You’ll be bringing to life mouthwatering 3D designs for some of the most prestigious (lighthearted) gaming franchises. You will be inspired and making art you’re proud of that will be put in front of millions of viewers. Common creative tasks include (in order of skill set priority): compositing/rendering, look dev, and animating 3D text/cameras using After Effects, C4D, and/or Maya.

OVERVIEW

- Full-time position / Remote - work-at-home opportunity
- Great benefits - Fully-paid employee health insurance plan, PTO, holidays, more
- Humble, talented, creative, friendly space with a tight-knit team
- Super creative atmosphere

REQUIREMENTS

- Skill set in Order of Priority:
 - 3D Design (C4D/AE)
 - Compositing (AE)
 - Look Development (C4D, AE, and Redshift)
 - Animation for 3D Text & Camera (C4D)
 - Rendering (Redshift)
- Collaborative artistic abilities to work well and inspire others

- Education: College degree required. Professional certification in multimedia arts (motion graphics and design) is desirable. Graduation from a school with a major in art, graphic design or related field is also desirable. Any combination of certifications, experience or education that demonstrates an ability to excel in the job.
- Remote working position during Pacific Time Zone hours (9am-6pm).
- Cinema 4D (10+ years) w/ Mograph Module Experience
- After Effects (10+ years)
- Redshift Rendering (2-5 years+)
- Maya (Comfortable Exporting Assets from Maya)

If you are interested in talking about this opportunity, please email us and include your ***resume and reel***.

If you fit the criteria, the next step would be setting up a phone call where we can give you the full download after signing an NDA requested by our client.
