

POSITION: VFX Supervisor

LOCATION: Spain

CONTRACT: Starts ASAP, Full-time/Staff

CONTACT: [maryanna@\[rachelelewis.com](mailto:maryanna@[rachelelewis.com)

RLT is a recognized global leader in VFX and animation talent acquisition. We have over 25 years of experience originating from our work inside top-tier Hollywood studios. Our clients hire our firm to assist in their senior talent acquisition needs (we are not your ordinary recruiters, nor are we "headhunters").

We are seeking a **VFX Supervisor** for our client, an award-winning top-tier production and post-production facility based in Spain. This young, spirited company specializes in creating exciting and innovative content across vfx, cg, and animation for commercials and music videos. Their clientele includes high-profile international brands and entertainers.

JOB SUMMARY

As a **Visual Effects Supervisor** you will be responsible for the design and execution of visual effects work on a given project.

RESPONSIBILITIES

- Lead and manage high profile and complex visual effects projects to deliver to creative expectations, deadlines and budget.
- Determine production requirements and advise on best practices, available processes and budgets for all types of VFX projects.
- Collaborate with Art Director and Client to ensure the artistic style, quality and continuity matches vision and standards
- Manage and mentor the CG Artists on complex VFX projects, and co-ordinate their VFX output and ensure high levels of quality control, advise on their technique and provide feedback on work-in-progress.
- Proactively recommend ongoing pipeline improvements and development
- Support the coordination team in order to maintain the pipeline's efficiency and allow the artists to achieve their production objectives and deadlines
- Identify additional tools necessary for production
- Supervise VFX artists as needed, in coordination with the VFX Producer for given project
- Oversee all aspects for body of FX shots throughout post from start to finish

- Actively seek out new talent and help Heads of CG with recruiting new talent keeping an eye on possible gaps in the CG structure.

REQUIREMENTS

- More than 3 years of experience as a VFX Supervisor
- Knowledge of 2D/3D Software (Maya, Nuke, Houdini...)
- Experience with pipeline management, data management and asset tracking software
- Excellent organizational and communication skills. Emphatic to Directors vision you can give concise and constructive feedback to VFX crew.
- Demonstrated leadership skills, confident with staff management duties
- Must be attentive to the production team, the other supervisors and the coordinators
- Previous experience as a VFX Supervisor on set
- Great organizational skills and ability to manage a very busy team, while meeting production timetables and budgets
- English is a must. Spanish is valuable
- Availability to travel

If you are interested in talking about this opportunity, please email us and include your ***Resume/CV and website.***

If you fit the criteria, the next step would be setting up a phone call where we can give you the full download after signing an NDA requested by our client.
